

Frequencies for Your Life

Training Certificate

Maria Burgers

has participated in the training

Medical devices, Medical Devices Advisor
and the monitoring and reporting system
for medical devices

successfully.

The following contents were trained:

- European guidelines
- Medical Devices Act (MPG)
- Safety Representative for medical devices
- Monitoring and reporting system
- Medical Device Safety Plan Ordinance, reporting deadlines
- Information on message transmission for complaints

The understanding of the contents was confirmed in a multiple choice test according to the risk associated with the activity.

15th Nov 2019

A handwritten signature in blue ink, appearing to read 'W. Wiatrek', is written over a horizontal line.

Trainer Dipl.-Ing. Werner Wiatrek
